Business Rules @ e-epoxy.com

1. Introduction

We at e-epoxy.com strive for 100% customer satisfaction in delivering what we promised and also reducing costs and administration for both sides. To achieve these goals, we are using new Six Sigma Quality techniques and ask buyers to understand and work within the business rules defined below and take note of any business rules specific to one or more supplier. Furthermore, by placing orders on e-epoxy.com, buyers are agreeing to the following business rules and to all General Terms & Conditions set forth in e-epoxy.com's Legal Terms section. All other contrary terms and conditions are expressly rejected, and no negotiations around addition or modification of terms and conditions shall be entered into. Terms for doing business through e-epoxy.com may differ from those that exist today between companies doing business through other existing channels. The business rules of e-epoxy.com are fair and aimed at reducing paperwork, wasted negotiation time, transaction costs and increasing the clarity of what you are paying for. Accordingly, surcharges have been introduced covering the need for extra work and manual input.

⁵ Upon buyer's request, delivery of orders can be delayed up to 10 days as long as notification is received more than one business day before planned shipment date from the Supplier's facility. The lead-time on the site at that time will be applied from the date of notification of delivery date change, i.e. lead-time starts again. A surcharge will be levied for this service.

⁶ Rush orders might be accepted, provided transport and product are available.

Fig. 11

General Terms and Conditions

The following terms and conditions apply to the purchase of products ordered ("Product") by you ("Buyer") from the Seller as defined below ("Seller") on the e-epoxy.com web site.

1. Title

Title and risk of loss of Products to U.S. destinations shall pass to Buyer upon delivery of Product into the custody of the carrier at manufacturing site; freight to be paid by Seller. For Products to destinations outside the U.S., the Incoterm listed in the Business Rules of e-epoxy.com for the country of destination shall apply. Trade terms shall be interpreted in accordance with Incoterms 2000. Title shall pass to Buyer at the same time as the risk of loss or damage under Incoterms 2000. If the Business Rules do not specify trade terms as defined in Incoterms 2000 for the applicable destination, title and risk of loss shall pass to Buyer upon delivery into the custody of the carrier.

2. Seller's Commitments

2.1 Seller undertakes that the Product will at the time of delivery meet Seller's then current Sales Specifications. All descriptions, drawings, photographs, illustrations, performance and technical data, dimensions, weights and the like, contained in any promotional or technical literature issued by Seller are subject to variation without notice and are not designed to constitute Sales Specifications.

2.2 Seller will supply Buyer with current Material Safety Data Sheets (MSDS) regarding the Product.

2.3 Seller will convey the Product with good title, free from any lawful lien or encumbrance.

3. Responsible Practices

3.1 Buyer will (i) familiarize itself with any product literature or information Seller provides, including MSDS, (ii) follow safe handling, use, selling, storage, transportation and disposal practices, including special practices as Buyer's use of the Product requires and instruct its employees, contractors, agents and customers in these practices and (iii) take appropriate action to avoid spills or other dangers to persons, property or the environment. Seller may refuse to sell to Buyer if Buyer has failed in the past to comply with any of its commitments under this subsection.

3.2 Notwithstanding the provisions of Section 5 hereof, Buyer will indemnify Seller for all claims, damages and related costs, including reasonable attorney fees, arising out of Buyer's non-compliance with any of its commitments under Section 3.1 above.

4. Warranty/Liability

4.1 The commitments set out in Section 2 above are Seller's sole warranties in respect of the Product. **ANY OTHER WARRANTIES WHETHER EXPRESS OR IMPLIED BY LAW INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXCLUDED.**

4.2 Buyer shall inspect the Product supplied under this Contract immediately after delivery. If any of the supplied Product is rejected because of non-conformity to specifications, Buyer shall have the right to return unopened containers to Seller only after inspection by Seller and receipt of definite shipping instructions from Seller, such inspection to be made and instructions to be given by Seller within thirty (30) days after notice of rejection by Buyer. Either (1) failure to give written notice of any claim within thirty (30) days from the date of delivery, or (2) use of the Product supplied under this Contract, constitutes an unqualified acceptance of such Product by Buyer and a waiver by Buyer of all claims in respect of such Product.

4.3 In the event of any liability by either party whether arising from breach of contract or from statutes it is agreed that the maximum amount of damages recoverable shall be limited to the contract price for the Product with respect to which damages are claimed. In no event shall either Seller or Buyer be liable for indirect, consequential, special, punitive or exemplary damages in connection with or arising out of this Contract.

5. Price and Terms

The price will be that in effect at the time the order is confirmed. Prices quoted do not include taxes or duties. All payments are due within 30 days from the date of the invoice unless Buyer's credit status requires cash with order. Payment should be made in U.S. dollars or the currency established in the Confirmation of Order by direct debit or electronic funds transfer. All payments will be subject to the payment guarantees that Seller may require. Bank transfer or cheque must be received into the Seller's bank account specified in the invoice on or before the due date.

6. Deliveries

Seller will make every effort to deliver product in accordance with the lead times set forth in step 2 in the Order Process of e-epoxy.com; however, to the extent permitted by law, no liability will arise due to failure to make timely delivery. All deliveries will be shipped by Seller and must be accepted by Buyer under the terms agreed upon in the confirmed order.
